D. Humphries : Lost Honor (Cole and Hudson Series Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lost Honor (Cole and Hudson Series Book 1):

0 of 0 people found the following review helpful. Nostalgic, Interesting and Fun... Especially If You Loved Cop Shows From The 80s.By CustomerOne of the best short fiction books I've read in a long time. It really feels as if you're watching one of those cop dramas from the 80s where partners got on each other's nerves but worked together to catch the bad guy.It has an almost nostalgic feel to it. There are twists and turns in the book to keep you hooked. I completed the book in one sitting.The characters are likeable, the pacing is smooth and the book is easy reading. I shall be following this author.0 of 0 people found the following review helpful. I have recommended this book to my friends and so will youBy CustomerOh my stars, I was hooked with the prologue!!!! Five stars..... From the cover to the last line, this book will grab your attention and keep it. I am looking forward to reading more in this series!!!! I have recommended this book to my friends and so will you.

What happens when you find yourself in the middle of a shootout with a deranged killer and two of your fellow officers are shot? Connor Cole, a cop with the Summit Springs South Carolina police department is thrown into the middle of this situation and has revenge in mind when it comes to finding the killer.Olivia Hudson, the big city detective who moved here for the peace and tranquility of a smaller town, finds her first assignment in this deplorable situation as well. Her job is to add her extensive detective knowledge to solve the crime and also save Connor from himself.Intrigue, mystery, and suspense are all within the covers of this riveting new book.
